Other Resources

Norristown Patch - NorristownPatch.com [4]

A great resource and hypermedia site exclusively about Norristown.
On it, ICN will be writing a regular column.

2-1-1

CAN'T FIND THE HELP YOU NEED?

Did you know... there is a new resource available to you, your family, and local providers?

2-1-1 is a Nation-Wide database that is used to get you the quickest, most accurate, and closest provider to you. Montgomery County has decided to join the effort to help consumers as fast as possible with little hassle. 2-1-1 is still a growing web site, it helps in locating information about Health and Human Services in our area! To Search for providers in your area use this [link here](#) [5]. It offers detailed information about agencies providing needed services, and includes the ability to geo map the location and to print the information you wish to keep.

To learn more about 2-1-1 and how it can benefit you go to <http://211sepa.org>[6].

Did you know... you can help your friend find food for their family? Perhaps someone you know has lost their job and temporarily needs assistance with food and shelter. Search by the keyword "food?" and choose from the organizations closest to the family.

Did you know... volunteer opportunities abound in Montgomery County and surrounding areas?The directory can assist you in finding the perfect opportunity to make a difference in the community. Search by the keyword "volunteer" and see the many opportunities available to you.

As this site grows, even more detailed information will be available. Non-profits, who have not yet entered their organizational information into this web site should use this link to sign up, <https://211sepa-web.communityos.org/zf/sysadmin> [7]. This is the best opportunity to find resources in the community that are up to date and accessible by everyone!
