

# November 2-1-1

## THE BEST WAY TO HELP YOUR COMMUNITY IS TO LET THEM KNOW YOU ARE HERE!

### NOVEMBER IS 2-1-1 MONTH

#### **Our Goal:**

Results! Making the Montgomery County portion of 2-1-1 the most accurate and comprehensive community resource database in the system.

#### **What:**

2-1-1 is a free online, telephone or text resource that helps people find the community resources they need.

#### **Why:**

2-1-1 has been an underutilized service in Montgomery County. WE NEED YOUR HELP to make the system robust for Montgomery County. Please attend one of the information sessions to learn about adding your organization's information to the 211 system and strategize on ways to increase engagement.

#### **2-1-1 Information Sessions:**

- Bucks-Mont Collaborative
- Interagency Council of Norristown
- TriCounty Community Network
