Services: In response to the need for expanded and enhanced trauma-informed and trauma-focused treatment for children and their families in Montgomery County, CCTC has expanded several of their programs into Montgomery County: Trauma Services, Family-Based Services, Outpatient Services, and Blended Case Management. The Trauma Services Program provides specialized trauma-focused treatment to children ages 18 months – 18 years who have recently witnessed or experienced a traumatic event or who have been the victim of sexual abuse/assault. The Family Based Program offers team-delivered, short-term intensive services in the home and community. This specialized program enable families to care for children with emotional and behavioral health challenges, thus reducing the need for out-of-home placement. This Outpatient Program offers a range of interventions that allow children and their families to learn ways to manage their behavior, undemand their emotions, and more effectively communicate in their home, school, and community. The Blended Case Management Program works intensively with families to connect them to various resources within their community.

About Achieving the Dream

Achieving the Dream (ATD) leads a growing network of 277 community colleges committed to helping their students, particularly low-income students and students of color, achieve their goals for academic success, personal growth, and economic opportunity. ATD is making progress in closing academic achievement gaps and accelerating student success through a unique change process that builds each college's institutional capacities in seven essential areas. ATD, along with 75 experienced coaches and advisors, works closely with Network colleges in 44 states and the District of Columbia, including 35 Gateway to College programs in 18 states, to reach more than 4 million community college students.

About Montgomery County Community College

For more than 50 years, Montgomery County Community College has grown with the community to meet the evolving educational needs of Montgomery County. The College's comprehensive curriculum includes more than 100 associate degree and certificate programs, as well as customized workforce training and certifications. Students enjoy the flexibility of learning at the College's thriving campuses in Blue Bell and Pottstown, at the Culinary Arts Institute in Lansdale, and online through a robust Virtual Campus.

As an Achieving the Dream Leader College, the institution is positioned at the vanguard of national efforts to increase completion, improve learning outcomes, and remove barriers to access for students. The College is also recognized regionally and nationally for its sustainability leadership, work with military veterans, community service and service-learning opportunities, and use of classroom technology.
